SANITARY DISTRICT

Carson Hackett, Davy Engineer Representative, was in attendance to discuss the engineering amendment #2 and final pay application #8.

Discussion took place regarding the main lift station project, the secondary mobile home project and the reasons behind the increased costs for each. Carson shared a handout that illustrated a breakdown of the overall project budget. A couple of discrepancies were noticed; therefore, no decisions were made and both amendment #2 and payment #8 were tabled until the December 2025 regular meeting.

Mmsp: Hesse / Kastenschmidt: Motion to approve the certificate of completion.
